The Resident Life Manager is responsible in administering and supervising the operation of the student residential experience across the residential locations throughout London. The person in this role will ensure a positive, healthy, and safe living/learning environment for students. Working closely with staff from the partner institution, the primary purpose of this role is to develop and maintain an environment conducive to social and intellectual growth as well as the academic success of the students.

This position's responsibilities include: ongoing student development activities, staff supervision, housing and occupancy administration, student conduct, mediation and educator of policies, and emergency response.

DUTIES AND RESPONSIBILITIES

Community Development

- Maintain a safe and positive learning community in residence through active engagement with residents and policy enforcement.
- Utilise problem solving skills to solve roommate disputes and other types of mediation.
- Handle and evaluate investigations and disciplinary processes related to student conduct.
- Responsible for upholding, working in accordance with, and providing guidance on policies and procedures.
- Plan and execute events designed to help residents socially and academically and to foster community within the student housing.
- Guide staff to plan, organise, promote, supervise and evaluate student programming events and activities to meet the needs of students from partner institution.

Housing and Operations

- In conjunction with the partner institution, assign housing, including roommate pairing, consideration of special room requirements, and appropriately attending to room changes where necessary.
- Serve as the main point of contact between housing providers, partner institution, NCH, and students.
- Actively monitor, respond, and report on building issues, including maintenance requests and safety issues.
- Ensure housing providers are meeting SLA's and students adherence to housing policies.
- Be on-call to provide support to partner institution staff and respond to emergency situations, which may include attendance at the student housing, hospitals etc. (24/7).
- Health & Safety of the students is paramount. Ensure risk assessments are undertaken as appropriate, and all teaching and event locations have clear emergency procedures communicated from the outset.

Management and Leadership

- Direct line management of the core support team (circa four members), together with management of any fixed-term staff recruited in from time to time.
- Take the lead on performance management of direct reports, including opportunities for training, professional growth and development.

JOB DESCRIPTION RESIDENT LIFE MANAGER

- Conduct regular team meetings, which will include peers such as Program Liaisons and International Coordinators, staff from partner institution, and provide regular update report meetings with the Northeastern Student Affairs Office.
- Foster a positive work environment with a good team spirit, including the wider support teams, with student experience at the forefront of all efforts.

PREFERRED EXPERIENCE

- Bachelor's degree required
- Two to three years of student life experience as a Resident Assistant or similar capacity (in a live-in role)
- Experience living, studying, or working abroad or experience working with international students and their particular adjustment issues
- Experience with U.S. student demographic is preferable
- Strong interpersonal and intercultural communication skills as well as a positive attitude
- Direct experience with emergency response, student mediation, including investigations and conduct meetings.
