Massachusetts has a long history of producing distinguished jurists, and its courts are respected across the US and around the world. For those students enrolled in the on-campus program, you couldn't be better positioned than at Northeastern University, located in the heart of Boston.

THE UNIVERSITY, THE COMMUNITY

Admission

The Northeastern LLM program admits students who already hold a first professional degree in law. For international applicants, that requirement may be fulfilled by a bachelor of laws or equivalent degree from an accredited or comparably recognized law school outside the United States. For domestic applicants, a JD is required.

LLM Scholarship Program

All applicants to the LLM program are automatically considered for scholarship support. Scholarship awards are determined after a thorough review of a candidate's application and credentials. A limited number of merit scholarships up to the entire value of tuition are awarded to students that demonstrate academic distinction.
