

Master of Laws

In the fast-paced technology and business spaces, lawyers who obtain specialized knowledge and skill sets are in demand. Our Master of Laws program provides students with the resources of a leading global university and the confidence to nimbly and successfully navigate the competitive marketplace.

-Dean James Hackney, School of Law

PROGRAM OVERVIEW

- > Gain the practical skills needed to navigate the U.S. law environment and global practice of law
- > Develop substantive knowledge of U.S. law to prepare for the California bar exam, and exams in other qualifying jurisdictions, including New York for students with appropriate training in certain common law countries
- > Expand expertise in legal specialty areas such as: data and privacy, intellectual property and technology, and international business
- > Understand the structure and operation of business organizations in the U.S.

Get Started:

- > Available 100% online
- > Fall and Spring semester starts
- > Optional California Legal Immersion Summer Experience
- > Students must have a bachelor of laws from an internationally accredited law school or JD degree to apply

Other Programs Available**

- > On-ground LLM at Boston campus
- > Executive LLM - hybrid learning format

**Check our website for program and concentration availability
